EDUCATION

New York University — Postdoctoral Associate in Applied Psychology	June 2024–Present
New York, NY Supervisor: Catherine Tamis-LeMonda	
New York University — Ph.D. in Communicative Sciences and Disorders	2024
New York, NY Supervisor: Sudha Arunachalam	
University of Delaware — M.A. in Linguistics and Cognitive Science	2019
University of Southern California — M.A.T. in TESOL	2017
Beijing International Studies University — B.A. in English Language and Literature	2008

GRANTS

NYU Postdoctoral Affairs Support Grant (\$2,500)	2024–2025
NYU Dissertation Finishing Award (\$10,000)	2024

HONORS & AWARDS

Student Award, Symposium on Research in Child Language Disorders (SRCLD)	2024
Diversity Enhancement Award, Boston University Conference on Language Development	2020
Paula Menyuk Travel Award, Boston University Conference on Language Development	2020
Student Award, Symposium on Research in Child Language Disorders (SRCLD)	2021

PUBLICATIONS

Shi, H., Suarez-Rivera, C., Masek, L. R., & Tamis-LeMonda, C. S. (in press). The role of infants' early multisensory experience in children's early vocabulary development. *Behavioral Sciences*.

Lin, Y., Sheng, L., Shi, H., Yan, W., & Zhang, Y. (2025). Narrative generation and narrative recall recruit different executive functions in preschoolers with and without developmental language disorder. *Clinical Linguistics & Phonetics*, 39(6–8), 625–644.

Shi, H., He, A. X., Song, H. J., Jin, K. S., & Arunachalam, S. (2024). Learning verbs in English and Korean: The roles of word order and argument drop. *Language Learning and Development*, 20(1), 19–39. <https://doi.org/10.1080/15475441.2023.2165926>

Sheng, L., Shi, H., Wang, D., Hao, Y., & Zheng, L. (2020). Narrative production in Mandarin-speaking children: Effects of language ability and elicitation method. *Journal of Speech, Language, and Hearing Research*, 63(3), 774–792. https://doi.org/10.1044/2019_JSLHR-19-00087

MANUSCRIPTS UNDER REVIEW / REVISION

Shi, H., Lai, K., Pan, S., & Tamis-LeMonda, C. (under review). An English–Mandarin vocabulary tool for English–Mandarin dual language learners. *Journal of Speech, Language, and Hearing Research*.

Shi, H., & Reuterskiöld, C. (under revision). Adolescents' production of past tense counterfactual sentences: Elicitation contexts and response modalities. *Journal of Speech, Language, and Hearing Research*.

Reuterskiöld, C., Moses, N., Shi, H., & Klein, H. (under review). Intentional communication of semantic categories across languages: From assessment to intervention. *Child Language Teaching and Therapy*.

WORKS IN PROGRESS

Shi, H., & Arunachalam, S. (in preparation). The role of chunked determiner phrases in verb learning.

PRESENTATIONS

Shi, H., Pan, Y., Suarez-Rivera, C., Masek, L. R., & Lai, K. (November 2025). The role of early multisensory experiences in infants' vocabulary development. Poster presented at the Boston University Conference on Language Development, Boston, MA.

Shi, H., & Sheng, L. (June 2025). Developing and validating the Narrative Assessment Protocol in Mandarin (NAPiM) for assessing narrative microstructure. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.

Lai, K., Shi, H., Masek, L., & Tamis-LeMonda, C. (June 2025). Developing a matched Communicative Development Inventory across three languages: English, Spanish, and Mandarin. Talk presented at the International Symposium on Bilingualism, Donostia-San Sebastián, Spain.

Fernandez, S., Shi, H., Pan, Y., & Tamis-LeMonda, C. (May 2025). Insights into emerging math language in bilingual toddlers. Poster presented at the APS Annual Convention, Washington, DC.

Pan, Y., Shi, H., Fernandez, S., & Tamis-LeMonda, C. (June 2025). Exploring math talk across languages through mother-toddler interactions in Mandarin-English and Spanish-English homes. Poster presented at the Mathematical Cognition and Learning Science Conference, Hong Kong.

Lai, K., Shi, H., Masek, L., & Tamis-LeMonda, C. (November 2024). Developing a matched Communicative Development Inventory across three languages: English, Spanish, and Mandarin. Poster presented at BUCLD, Boston, MA.

Shi, H., & Reuterskiöld, C. (June 2023). How elicitation contexts and response modalities affect adolescents' production of past tense counterfactual sentences. Poster presented at SRCLD, Madison, WI.

Shi, H., He, A. X., Song, H. J., Jin, K. S., & Arunachalam, S. (April 2022). Verb learning in Korean and English: Supportive linguistic context and cross-linguistic differences. NYU Steinhardt Research and Scholarship Showcase, New York, NY.

Reuterskiöld, C., Kincaid, M., & Shi, H. (November 2021). Intentional communication and early language development: Semantic categories expressed across languages. Seminar at the ASHA Annual Convention, Washington, DC.

Shi, H., Sheng, L., & Zheng, L. (June 2021). The use of first mentions in narratives by Mandarin-speaking children. Poster presented at SRCLD.

Shi, H., He, A. X., Song, H. J., & Arunachalam, S. (November 2020). Korean and English verb learning in transitive frames. Poster presented at BUCLD, Boston, MA.

Shi, H., Zheng, L., Ji, Y., Hsu, N., & Sheng, L. (October 2018). Mandarin-speaking children's comprehension of universal quantifiers and negation. Poster presented at CPEAL/LDC, National Taiwan University, Taipei, Taiwan.

AD HOC REVIEWER

Journal of Speech, Language, and Hearing Research	2022–Present
Developmental Psychology	2024–Present

TEACHING

Sole Lecturer, New York University CSCD-UE 1601 Speech and Language Development (undergraduate, 4 credits, required)	Jan–May 2023
Teaching Assistant, New York University CSCD-UE 110 Science of Language (undergraduate, 4 credits, required)	Jan–May 2022
Teaching Assistant, University of Delaware English Language Institute Academic Transitions Program	May–June 2018
Teaching Assistant, University of Delaware CHIN 204/105, Department of Languages, Literatures and Cultures	Feb 2018–May 2019
Teaching Assistant, Los Angeles Technology Center	Sep 2015–Dec 2016

OTHER RESEARCH EXPERIENCE

LEARN Lab, New York University Supervisor: Sudha Arunachalam	2019–Present
Small Talk Lab, New York University Supervisor: Christina Reuterskiöld	2019–Present
Language Learning and Bilingualism Lab, Hong Kong Polytechnic University Supervisor: Li Sheng	2017–Present

RESEARCH SKILLS

Software: R, Python, Stata, SPSS, SALT, CLAN

Methods: Eye-tracking, Datavyu, language sample analysis, experimental linguistics

Languages: Mandarin (native), English
